Blatt: 1/2
NOTES:

1) Cooling fins are installed only in connection with option 04. Drawing shows standard fins only. Other fin sizes on request. Caution: Fins are on high voltage potential and must not be shorted or grounded.

2) Pins marked with % are only present in connection with the stage tapping option (option 05). Drawing shows the position of all possible tappings, but not the pin situation of a customized module with less tappings than technically possible.

Dimensions in mm.

All data subject to change without notice.
